Full Stack Developer

Edison Street, Lahug, Cebu City, Philippines

Experience

Freelance / Personal Projects *Remote / Cebu City, PH*

Various Dates – Present

- Built **Realynk**, a production-ready PWA and time-tracking ERP utilizing React 19, Supabase, and the HTML5 Geolocation API for real-time workforce management.
- Developed **Langor AI**, a Next.js 15 powered tutoring hub with dual-backend architecture, integrating WebRTC, Groq, and Gemini for sub-second latency voice interaction and automated grammar feedback.
- Created **SegBIN** (award-winning project), an IoT + AI waste-segregation system using arduino, and arduino components, achieving 92% sorting accuracy.
- Engineered **G-TRASH**, a comprehensive IoT and mobile ecosystem for waste management, integrating **Socket.io** for live logistics tracking, ESP32-based environmental monitoring, and edge-computing AI for automated refuse classification.
- Designed and deployed a **Personal Portfolio** (React + Tailwind) on Vercel, achieving sub-1.2s load time and 98+ Lighthouse score.
- Architected **PAL (JourneyPad)**, a collaborative project-planning PWA utilizing React 19 and Supabase Realtime, featuring an AI co-pilot for automated task decomposition and workflow optimization..
- Built **Medora**, a full-stack JavaScript app with interactive UI components and 100% responsive design across mobile and desktop.

Technical Skills

Languages: JavaScript, TypeScript, Python, Java (beginner), PHP
Frameworks & Libraries: React.js, React Native, Node.js, Express, Flask, Laravel, Tailwind CSS
AI/ML: Scikit-learn
Cloud & DevOps: Vercel, Render, Netlify, Cpanel
Databases: MongoDB, MySQL, SQLite, Supabase
Version Control: Git, GitHub
Design & Tools: Figma, Canva

Work Experience

Application Developer — KlinikaHub *January 2026 – Present*

*Develop and maintain mobile application features for **KlinikaHub**, a SaaS healthcare platform that streamlines patient registration, electronic health records (EHR), appointment scheduling, POS, and automated billing workflows for healthcare practices.*

Full-Stack Developer — Central Window Cleaning *2026*

Developed and maintained full-stack web applications, built responsive user interfaces, integrated backend services, and improved overall system performance.

Shopify UI Developer — Freelance / Client Project *2026*

Enhanced Shopify storefront user interfaces by customizing themes, improving responsive layouts, and optimizing the overall user experience using HTML, CSS, JavaScript, and Liquid.

Housekeeping Staff — Waterfront Cebu City Hotel & Casino *Summer 2024*

Maintained guest rooms and public areas to hotel standards while working efficiently in a fast-paced hospitality environment and collaborating with team members to ensure excellent guest satisfaction.

Awards & Certifications

3rd Place — Hackestate Hackathon *March 2025*
Proud member of the USPF team that secured 3rd place at Filipino Homes' Hackestate 2025 with a full-stack solution built in under 48 hours.

1st Place — USPF IS Innovation Competition *November 2024*
Led the development of **SegBIN**, an AI + IoT waste-segregation system recognized for its technical and real-world impact.

NCII Certificate — TESDA *August 2023*
Certified in computer networking, troubleshooting, and system setup — foundational skills applied in real projects.

Top UX Interface Award — Sinulog PropTech Hackathon *January 2026*
Recognized with the **Top UX Interface Award** as part of **Team Ctrl + Alt + Panthers**. Served as the team's **UX Designer (Hipster)**, leading the user-centered design process and creating an intuitive, user-friendly interface for an AI-powered real estate solution.

2nd Runner-Up — Philtech Innovathon *January 2026*
Represented the **University of Southern Philippines Foundation (USPF)** in the **Philtech Innovathon** held in **Bonifacio Global City (BGC), Taguig**. Helped the team secure **2nd Runner-Up**, competing against teams from more than **10 universities** across Luzon and the Visayas.

Education

Bachelor of Science in Information Technology *Expected: 2027*
University of Southern Philippines Foundation (USPF), Cebu City, Philippines
Honors: Dean's Lister

Senior High School | **Graduated**
Lahug National High School Night, Cebu City, Philippines
Honors: Honor Student (Grade 12)

Elementary School
Cabalagnan Elementary School, Philippines
